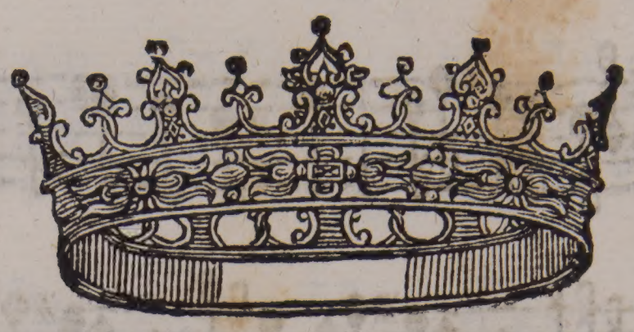
EMINENTISSIMO
MO
E REVER. SIGNORE
PATRON COLENDISSIMO.



O Splendore de i Nobilissimi Natali di V. E. e gli applausi d'vna fama glorioſa, che le viene in coteſta ſua ampliſſima legazione, con troppa forza luſingano la mia volontà di conſecrarle, come riuerentemente faccio la Quinta Parte de i miei Muſici componimenti. Dubiterei d'eſſer notato di ſouerchia arditezza eſponendo a chiarezza sì luminoſa le mie imperfezioni, quando io non foſſi ben certo, che le nuuoli più oſcure vanno frequentemente a i raggi del Sole per arricchirſi di luce, ſenza però attraerne carattere alcuno di temerità. E vero, che alla grandezza di V. E. mal ſi confanno l'humiliſſime eſpreſſioni del mio oſſequio, mà per dar luogo capace alla ſua benignità non mi curo d'incorrere nel titolo di poco auueduto. Se il Mondo in queſt'atto diuoto riconoſcerà la qualità della mia ſeruitù, io vedrò adempito il mio deſiderio, mà ſe V. E. conſolerà le mie ſperanze con l'honore d'vn vero gradimento, ſtimerò fortunatiſſime tutte l'hore de i miei giorni. Et a V. E. con profondiſſima riuerenza m'inchino.
